About this report

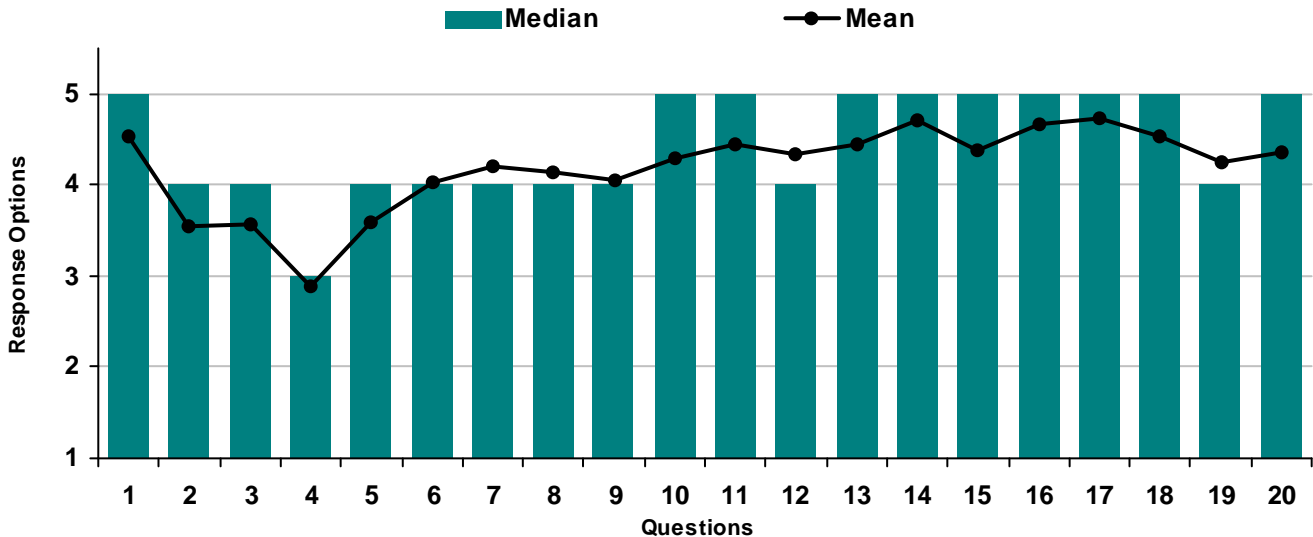

This report summarises student responses to the University's Student Feedback process. It provides frequencies (percentages %), simple means (Mean), standard deviations (StDev), and medians for each fixed-response question posed.

Please note:

- "Not Applicable", missing or invalid responses are not included in mean and median calculations.
- As per the relevant policies and procedures, only those items in sections 2 and 4 will be reported for Faculty and University use.

This report was prepared by the Curriculum, Teaching and Learning Centre (CTLC) Feedback Team. If you have questions or concerns, please contact them on (03) 9479 1911 or email student.feedback@latrobe.edu.au.
